NOTE: The column "City/County Bought For" is what the City/County had to pay when the deed went into the City/County's name. These taxes and fees are still due and payable. This is not the City/County's selling price. You must check for additional taxes and/or delinquent taxes due with Chancery Court, (731) 423-6071, current taxes due with County Trustee, (731) 423-6027, and City Recorder, (731) 425-8210. Then determine your offer price.
